

Leaupepe Elisapeta (Peta) Karalus Scholarship 2027 Regulations

BACKGROUND

The Leaupepe Elisapeta (Peta) Karalus Scholarships were established in 2020 by the Waikato Institute of Technology Limited (Wintec) to enable more opportunities for Pacific people to pursue study at a degree level in the areas of health and social practice. The scholarships are named after Peta Karalus in recognition of her significant contribution and valued work in the Pacific community.

The purpose of the scholarship is to assist students to undertake full-time study, towards a qualification at Wintec.

Peta is a well-known community figure and health professional, with a relentless passion for helping the Pacific community. She established K'aute Pasifika, a Pacific - focused service to enable the health and wellbeing of Pacific people in Hamilton and the wider Waikato region. Peta was also a former staff member and tutor at Wintec's nursing school in the late 1990s. In 2006 Peta was awarded Member of the New Zealand Order of Merit in the Queen's Birthday Honours for services to the Pacific Islands community. She was awarded an Honorary Fellowship from Wintec in 2019 for her significant contribution to health and education for the Pacific community.

The scholarship is awarded based on personal character, desire to achieve degree-level study and involvement in cultural and community life. Four scholarships will be awarded annually and will cover the tuition fees for the duration of the degree, subject to the conditions of the scholarship being met each year of study.
