On behalf of Wintec, we extend a warm welcome to all graduates and their families to our 2022 graduation ceremonies.

Graduation is a special time to celebrate and honour the success of graduates who have met the challenge and commitment of academic study.

We celebrate with you and we honour your success.

E ngā mana, e ngā reo e ngā kārangarangatanga maha o te motu

Tēnā koutou, tēnā koutou, tēnā koutou katoa.

Nau mai, haere mai, ki Te Kuratini o Waikato

Ki runga hoki i te maru atawhai a te Atua

E mihi ana ki a Kīngi Tūheitia Potatau Te Wherowhero te Tuawhitu

I hiritia ai te mana o te Atua, te mana o te tangata.

Ki a koutou e whai ana i te ara mātauranga

Koinei te waka whakawhiwhi i tō koutou tohu

Kua ekengia ngā maunga kōrero o te wānanga

Kua ekengia ngā kaupapa kōrero

Kua tūtuki ngā mahi o tēnā kura, o tēnā kura

Nō reira koinei te mihi, koinei te whakahōnore ki a koutou katoa

Nāu tēnei rā, nāu tēnei hōnore.

# About Us

---

**At Waikato Institute of Technology (Wintec), we nurture and guide individual students as part of a community, so they are confident and equipped to navigate their way in a world where change and new ways of working are happening faster than ever before.**

We deliver high-quality training to approximately 13,000 ākonga/learners every year, who study more than 130 vocational courses across many fields from certificate to degree, postgraduate and master's level.

We provide relevant training and qualifications, but we also acknowledge that confidence and wellbeing are important for ākonga to succeed.

Our kaimahi/staff are employed for their experience, knowledge, and ability to guide ākonga on their journey. Our graduates are supported to be confident, so they know how and where to apply their skills and knowledge out in the world.

Our students get the chance to put their learning into practise from the very start. They work on relevant, real-life projects and learn what it is really like in their chosen career through work placements. They can ask questions and discover there are often many ways of doing things, not just one.

Wintec is committed to engaging in an environment where an authentic and deliberate commitment to Māori and Te Tiriti partnerships delivers an educational system that serves our ākonga - our learners - and our communities well. Improving equitable outcomes for our Māori, Pacific, disabled and all learners is a priority. We value diversity and we support inclusion.

Our relationships are important. Understanding the needs of local industry, iwi, hapū, and our Waikato community is critical in helping ākonga succeed and our community to flourish.

We have grown from a small technical college to one of Aotearoa, New Zealand's largest tertiary education institutes. Wintec, along with 16 other technical institutes and 11 Industry Training Organisations (ITO's), is part of Te Pūkenga, New Zealand Institute of Skills and Technology. We are part of a growing online, on-campus, and on-job learning network to give learners more flexibility in what, where, and how they will learn.

# Our People

Murray has governance and senior management experience across many sectors including aviation, infrastructure and tertiary education.

Murray previously chaired the New Zealand Qualifications Authority. He is Chair of the New Zealand Centre of Digital Excellence and the Southern Digital Transformation Programme as part of the new Dunedin Hospital.

## Dr Leon de Wet Fourie

**Wintec Toi Ohomai Transitional Executive Lead, Leon Fourie, will address the assembly.**

Leon is the Transitional Executive Lead for Wintec and Toi Ohomai Institute of Technology, a role created when the two institutions entered Te Pūkenga in June 2022.

Leon had been Chief Executive of Toi Ohomai since 2016. He is also the sector lead for International Education, and recently launched the Te Pūkenga International Education Strategy.

He has extensive experience leading transformation programmes throughout higher education, both in New Zealand and overseas. He is an internationally recognised researcher with more than 100 accredited publications; is a nationally rated performance-based researcher; and Vice-President of the Global Business and Technology Association. Leon holds a PhD in the design and development of training programmes, and a Master of Performance Management. In 2015, Leon received the Woolf Fisher Fellowship scholarship and completed Harvard University's Senior Executive Educational Leadership programme. He became a professor in 2001 and holds honorary professorships abroad.

Originally from South Africa, Leon's career started in the military as an Intelligence Officer, retiring at 27 with the rank of Major.

He has built a reputation as a values-based leader, successfully working in multi-cultural environments with diverse social, political and economic agendas.

## Dr Shelley Wilson

### **Dr Shelley Wilson, Dean, is our Master of Ceremonies.**

Shelley joined Wintec in 1995 and has held a variety of roles. In January 2021 she was appointed Dean after holding the position of Group Director for the Centres of Trades, and Engineering and Industrial Design for the previous two years. Shelley works strategically and operationally within the vocational education sector, particularly in the field of engineering.

She is experienced in understanding and driving learner success and brings skills to the Dean's role in relationship building and academic leadership. With this knowledge behind her, Shelley leads and supports our faculty in a positive and progressive direction.

As Dean, Shelley plays a key role in learner success and equity for all Wintec students.

Shelley's academic qualifications include Doctor of Philosophy (DPhil) Biochemistry, an undergraduate degree in Chemistry and a Master of Biochemistry from the University of Waikato and a Diploma in Adult Learning and Teaching from Wintec.

## Tame Pokaia

**Ngāti Mahuta, Ngāti Hikairo**

### **Wintec's Kaumātua, Tame Pokaia, opens our graduation ceremonies with a mihi.**

Wintec's Kaumātua, Tame Pokaia, plays a key role in ceremonies, pōwhiri, graduation, Waikato-Tainui history and cultural leadership. He works and advises at all levels from local government, management, staff and students.

Tame is from Waikato's Ngāti Mahuta hapu and Ngāti Hikairo in Kāwhia. He was born and raised in Ngāruawāhia, home of the Kīngitanga marae at Tūrangawaewae. The experience and knowledge he has gained is invaluable and he draws on this to share and give guidance on tribal history, customs, tikanga, Tainui and the Kīngitanga movement.

He studied at the University of Waikato before graduating with a BA(Hons) in Māori. Today he is in continual pursuit of education and academic excellence.

Tame was appointed as Wintec Kaumātua in 2009. Prior to this, he worked for the Māori King's office.

When he looks back and reflects, he knows where he has come from and draws on this for his academic motivation and for student motivation and success.

Tame is also Kaumātua for Hamilton City Council and the Waikato Regional Economic Development Agency, Te Waka.

# Celebrating your success

Four ceremonies held over two days in September celebrate and honour the successful achievements of our students.

These ceremonies are held in high regard, with Wintec dignitaries charged with presenting the degrees, diplomas and certificates.

Our graduation tradition remains relevant because of what it celebrates - the pride felt from a worthy achievement and a sense of bright anticipation for the future.

**Ka whakanuia tonutia e mātou ngā rā whakawhiwhinga tohu. Heoi te whakahīhī hoki ki te tūtuki tohu mōu ā, ko te nuinga ō koutou e tū manako ana ki ngā rā whakahirahira ka heke mai nā.**

# Regalia and Recognition

## Academic Regalia

Wintec's academic regalia dates back to the establishment of Europe's earliest universities.

Historically, a gown and hood were practical items worn daily over tunic and trousers (usually dark coloured), and were lined in wool, fur or silk according to the season. Over the centuries the length and cut of the gown and sleeves have changed with fashion and today, are stylised rather than practical items.

The bonnet and cap are 15th century lay fashions based on the pileus, a head-dress common in the Middle Ages. The pileus quadratus (square cap) is the trencher or mortar board. Trencher is a flat board used for serving or cutting food. When turned upside down, the cap resembles a bowl on a trencher. It also looks very similar to a bricklayer's square, flat mortar board.

Today, regalia is a symbol of academic achievement and excellence.

## Kākahu

To wear a kākahu, or feather cloak, is to be honoured on a special occasion and for many Māori graduands and their whānau, graduation day is one such occasion.

Most kākahu are made from fine, soft fibre (muka) stripped from flax leaves. This muka is hand-rolled into threads for weaving. Feathers or coloured tags are incorporated as the garment is woven.

Kākahu or korowai (a cloak with no feathers) are treasured family items, often handed down through many generations. To wear such a treasure, or tāonga, is a great honour and privilege, enhancing the wearer's honour and bestowing prestige on that person's whānau and tribal groups.

In the context of the graduation ceremony, the cloak serves as an acknowledgement of the wearer's achievements – overcoming many challenges on their journey to seek knowledge and growth.

## The Recessional Song

### Nau Te Mātauranga

Kei muri te Wharekura  
(The House of Learning is behind you)  
Kua hōromi ngā whatu tapu  
(The sacred stones have been consumed)  
Hōra atū (Spread it far)  
Hōra mai (Spread it near)  
I te Ao (Throughout the world)  
Hei whakamana te tāngata  
(For all mankind)  
Nāu te mātauranga  
(Yours is the knowledge)  
Nā ngā kete o te wānanga  
(From the baskets of knowledge)  
Ko Aronui (Aronui (1st basket))  
Ko Tuauri (Tuauri (2nd basket))  
Ko Tuātea (Tuātea (3rd basket))  
Na Tāne-te-wānanga i mauria mai  
(Brought down by Tāne-te-wānanga)  
Hei whakamana te tāngata  
(For all mankind)

### Kick It In The Middle

Wouldn't it be better if I lived forever?  
Isn't it strange that we come and go!  
Natural selection has a grim agenda  
Tickets on sale for the final show  
Every time I breathe I feel a little pressure  
Clock is ticking, got to get it together  
  
Kick it in the middle, Take it to the limit  
Use it or lose it, It's your world now  
Read between the lines, Nothing else matters  
Another day in paradise, I won't back down  
  
Workin' on a recipe for certain extras  
Icing on the cake and the ducks in a row  
Never say never to a new endeavour  
Try to do the best with the things I know  
Every empty moment leaves nothing  
to remember  
Catch it while I can and get it together  
  
Kick it in the middle, Take it to the limit  
Use it or lose it, It's your world now  
Read between the lines, Nothing else matters  
Another day in paradise, I won't back down

# Waiata

---

## **Waiata a te Motu** **National Anthem**

E Ihowā Atua,  
O ngā iwi mātou rā,  
Āta whakarongona;  
Me aroha noa  
Kia hua ko te pai;  
Kia tau tō atawhai;  
Manaakitia mai  
Aotearoa.

God of Nations at Thy feet,  
In the bonds of love we meet,  
Hear our voices, we entreat,  
God defend our free land.  
Guard Pacific's triple star  
From the shafts of strife and war,  
Make her praises heard afar,  
God defend New Zealand.

## **E Kore Koe e Ngaro**

E kore koe e ngaro  
he kākano i ruia  
Kākano a te Kaahu e tū nei e  
Te Kōpū Mānia, te ngāwhā  
whakatupu  
Ka tupu he tangata, rere ki te ao  
Horahia Matariki, kūmea ngā waka  
Herea ki te pou o te aroha e  
Te Atairangikaahu, tāiri kei runga  
Ko Kīngi Tūheitia ki te whenua e  
Piki ake Tāwhaki, tāhūhū matapū  
Ngā kete wānanga e toru e  
Whītikitia rā, ka turuturu iho  
E ko Te Kuratini o Waikato e.
