WHAKANUIA NGĀ ĀKONGA | CELEBRATING LEARNER SUCCESS

Congratulations to our graduates

Kia ora and a warm congratulations to all our graduates! Today marks an important milestone in your life. It acknowledges your mahi, commitment, and achievement – so savour this moment as you have earned it.

During your time with us, you have acquired new skills, expanded your knowledge, built lasting friendships and connected with your industry. Many of you are already on to your next adventure and we are incredibly proud.

To whānau and friends, graduation is a special day to celebrate the success of your loved ones. It is always a proud moment to see the achievements of those we love acknowledged by others. You are not alone in your pride – today you share this milestone with many others.

For kaimahi (staff), graduation is a powerful reminder of why we are here. Education transforms lives, providing our ākonga with not only knowledge and skills, but also the courage and hope to pursue their dreams. Witnessing our graduates ready to embrace the future reflects what is possible for everyone.

On behalf of Wintec, we hope your 2025 graduation ceremony becomes a cherished memory. A heartfelt congratulations to our graduates - we know your next steps will bring credit to yourself, to your families and whānau and those who supported you, and to the communities in which you live and work.

Mā te kimi ka kite. Mā te kite ka mōhio. Mā te mōhio ka mārāma

Seek and discover. Discover and know. Know, and the world of light is yours to behold.

About Us

Wintec grew from a small technical college into one of Aotearoa, New Zealand's largest tertiary education institutes. In 2022 Wintec became part of Te Pūkenga, New Zealand Institute of Skills and Technology, joining 16 other technical institutes and 11 Industry Training Organisations (ITOs).

At Wintec, we nurture and guide individual ākonga (learners) as part of a community, so they are confident and equipped to navigate their way in a world where change and new ways of working are happening faster than ever before.

We deliver high-quality training to approximately 11,000 ākonga every year, who study more than 130 vocational courses across many fields from certificate to degree, postgraduate and master's level.

We provide relevant training and qualifications, but we also acknowledge that confidence and wellbeing are important for ākonga to succeed.

Our kaimahi (staff) are employed for their experience, knowledge, and ability to guide ākonga on their journey. Our graduates are supported to be confident, so they know how and where to apply their skills and knowledge out in the world.

Our ākonga get the chance to put their learning into practice from the very start. They work on relevant, real-life projects and learn what it is really like in their chosen career through work placements. They can ask questions and discover there are often many ways of doing things, not just one.

Wintec is committed to engaging in an environment where an authentic and deliberate commitment to Māori and Te Tiriti partnerships delivers an educational system that serves our ākonga (learners) - and our communities well. Improving equitable outcomes for our Māori, Pacific, disabled and all learners is a priority. We value diversity and we support inclusion.

Our relationships are important. Understanding the needs of local industry, iwi, hapū, and our Waikato community is critical in helping ākonga succeed and our community to flourish.

Celebrating your Success

Four ceremonies held over two days in May celebrate and honour the successful achievements of our students.

These ceremonies are held in high regard, with Wintec dignitaries present to acknowledge the achievement of our graduates.

Our graduation tradition remains relevant because of what it celebrates - the pride felt from a worthy achievement and a sense of bright anticipation for the future.

Regalia and Recognition

Academic Regalia

Wintec's academic regalia dates back to the establishment of Europe's earliest universities.

Historically, a gown and hood were practical items worn daily over tunic and trousers (usually dark coloured), and were lined in wool, fur or silk according to the season. Over the centuries the length and cut of the gown and sleeves have changed with fashion and today, are stylised rather than practical items.

The bonnet and cap are 15th century lay fashions based on the pileus, a head-dress common in the Middle Ages. The pileus quadratus (square cap) is the trencher or mortar board. Trencher is a flat board used for serving or cutting food. When turned upside down, the cap resembles a bowl on a trencher. It also looks very similar to a bricklayer's square, flat mortar board.

Today, regalia is a symbol of academic achievement and excellence.

Kākahu

To wear a kākahu, or feather cloak, is to be honoured on a special occasion and for many Māori graduates and their whānau, graduation day is one such occasion.

Most kākahu are made from fine, soft fibre (muka) stripped from flax leaves. This muka is hand-rolled into threads for weaving. Feathers or coloured tags are incorporated as the garment is woven.

Kākahu or korowai (a cloak with no feathers) are treasured family items, often handed down through many generations. To wear such a treasure, or tāonga, is a great honour and privilege, enhancing the wearer's honour and bestowing prestige on that person's whānau and tribal groups.

In the context of the graduation ceremony, the cloak serves as an acknowledgement of the wearer's achievements – overcoming many challenges on their journey to seek knowledge and growth.

From the shafts of strife and war,
Make her praises heard afar,
God defend New Zealand.
