

OUR AWARD WINNING ORGANISATION

Wintec has received numerous awards, which recognise excellence in everything from innovative business processes to academic performance and campus developments.

Global Operator Award (2017)

In 2017, Wintec won the Global Operator Award at the Waikato Business Awards. This award recognises those organisations that successfully work within, and capture the benefits of the global market, demonstrating outstanding international trade achievements, sustainable growth and results.

New Zealand Commercial Project Awards (2015)

Wintec's Engineering and Trades Facility won the Education Project category and was awarded a gold medal at the New Zealand Commercial Project Awards. The award winners are selected by the Registered Master Builders Association and represent the best of New Zealand's commercial property sector. The building's unique design and function make it New Zealand's most modern engineering and trades education facility, with an open plan layout, flexible teaching spaces and the latest technologies.

Designed by Chow:Hill Architects, the building also received the Education Award at the 2015 Waikato/Bay of Plenty Architecture Awards.

Young Professional of the Year Award (2015)

Former Wintec manager Rachel Tremewan took home the Young Professional of the Year award at the Institute of Public Administration New Zealand's Public Sector Excellence Awards for her work with our Waikato Trades Academy. During her time as manager of the Waikato Trades Academy, Rachel helped to double the student numbers from 2013 to 2015 and developed three new vocational pathway programmes for senior secondary school students.

Microsoft Tertiary ICT Award (2013, 2014, 2015, 2016, 2017)

Wintec took out the supreme award five years ago at the Microsoft Tertiary ICT Innovation Awards. The award acknowledged our innovative use of cloud-based technologies to improve the overall Wintec experience for our students, staff and stakeholders. Since then, Wintec has been recognised every year at these awards, and secured two category awards in 2015.

International Diabetes Federation (2013)

We received recognition from the International Diabetes Federation for excellence in providing diabetes training to nurses in the Waikato.

Property Council of New Zealand Awards (2008, 2011, 2013, 2015)

The Engineering and Trades Facility was recognised at the 2015 Property Council New Zealand Property Industry Awards receiving an Award of Excellence.

Wintec won the top award at the Property Council's "We are Waikato" Awards in 2013 for our campus modernisation programme and its contribution to the local property industry and economy.

The renovation of Wintec House also won two awards at the Property Council New Zealand Levett Bucknall Property Awards in 2011 in the Heritage and Adaptive Reuses as well as Education and Arts categories.

In 2008, the Gallagher Hub on our city campus received a merit award from the Property Council. The hub is a unique space housing our library, flexible seating areas for meeting and socialising, a range of IT services, study rooms, cafes and event rooms.

Master Painter Award (2013)

Our marae - Te Kōpū Mānia o Kirikiriroa - won the 2013 Master Painters Awards in the small-to-medium commercial exterior category.

New Zealand Business Achievement Award (2012)

We received the New Zealand Business Achievement Award from the New Zealand Business Excellence Foundation after having our business achievements evaluated against international standards of world class performance.

New Zealand Institute of Architects Award (2011)

Wintec House won both the Heritage and Interior Design categories at the New Zealand Institute of Architects (NZIA) Waikato Bay of Plenty Architecture Awards.

Employer of the Year Award (2010)

Wintec won the Association for Supported Employed in New Zealand's (ASENZ) Employer of the Year award. The award recognises the excellent work Wintec has undertaken in placing people with severe disabilities in meaningful employment.

National Tertiary Education Awards (2009)

We won three national tertiary education awards for our global role (particularly in partnerships in China), innovative support services (for creative industries business incubator Soda Inc.) and relevant learning (for our employer partnership groups).

Raukawa Māori Language Award Finalist (2008)

Wintec was a finalist in the Raukawa Māori Language Awards for our efforts in celebrating and promoting Māori language.
