

# OUR HONORARIES

People who help build a stronger community are recognised by Wintec as part of our commitment to seeing our city, region and nation progress.

Some of New Zealand's and the region's greatest names make up Wintec's family of honoraries. Whether it be through innovation in industry or business, research, or enhancing New Zealand society, each year we award honorary fellowships and degrees to people who have made a significant contribution to Wintec, the region or the nation.
