

Disability Access at Wintec City Campus

Welcome to Wintec.

Below are two options to get into the Hub or the Student Enrolment and Information Centre.

Option 1: Enter from street level, there is ramp access up to lift 1 to the right of the main doors of Wintec House. We recommend taking lift 1 to level 1 then using lift 2 as there are less doors to open this way.

Option 2: Take the carpark lift to Atrium level, enter Wintec House then use lift 2.

Please contact the Disability Services Coordinator, Wade Limpus for any enquiries.
