* **Fees disclaimer:** Tuition fees quoted are current for 2026 start dates and includes GST, but exclude other costs. For multi-year programmes beginning 2026 (for example degrees) international tuition fees for the second and subsequent years may increase in annual tuition. There may be an independent activity fee of up to a \$1000 that may apply to certain courses which is not included in the tuition fee. These fees are approximate and are based on a full-time workload for one year. The fees may vary depending on the amount of credits you are enrolled in. To be eligible for the study grant, students must be enrolled in an eligible programme for at least 120 credits. The study grant discount applies to the first year of study only. Standard tuition fees will apply for subsequent years. All fees are in New Zealand Dollars. Fees may vary due to changes in law or regulations that are beyond the control of Wintec. Some programmes have additional costs. In some cases, New Zealand Qualifications Authority (NZQA) fees will apply in addition to those listed. Your fees must be paid two weeks before the start of your programme, or at the time you enrol if you are enrolling within two weeks of your start date. Information about our International Student Fees and Refunds Policy can be found [here](#)

**Name of programme may change in 2026.

† Intakes for English study are weekly and available for any length (min 3 weeks). However, to gain the NZCEL qualification, students must start in Feb/Jul and attend the full 17 weeks.

‡ You may be asked to attend an interview to establish your English language skill level, and show your likelihood of success. You will also be required to take a placement test.
