

Do you know an outstanding adult learner?

THE FESTIVAL OF ADULT LEARNING AHUREI ĀKONGA

What is the Festival of Adult Learning Ahurei Ākonga?

The Festival of Adult Learning Ahurei Ākonga is a United Nations Educational, Scientific, and Cultural Organisation (UNESCO) initiative supported by the Tertiary Education Commission, adult and community education providers at a local level, and the New Zealand National Commission for UNESCO.

It was established in Aotearoa, New Zealand, in 1998 to raise the profile of adult learning. It is an opportunity to celebrate the successes and achievements of everyone participating in Adult and Community Education (ACE).

This festival recognises that all adult learning achievements are worth celebrating. Whether it's teaching English to an immigrant in a private home, attending a programme at the local library; being part of a community support group, attending a private training organisation, or earning a university degree.

Many stories are inspirational. In being told, people who thought learning was not for them, are encouraged with endless possibilities.

The Nomination Process

1. Completed nomination forms must be submitted to Group Director/Centre Director by noon Wednesday 24 July 2024.
2. From the nominations put forward by staff and students, each Group Director/Centre Director can only put forward a set number of nominations from their respective School or Centre. This number includes nominations across all categories. The School/Centre needs to ensure that each application is entered into the most appropriate category.
3. This means that while there is no limit to the number of nominations staff and students can put forward, it is important to understand that only a limited number of nominations progress through to the selection panel. The Executive Dean has confirmed the number of nominations each School/Centre can submit:

5. The Adult Learner Award selection panel will select the final award winners. The selection panel will be made up of the Executive Dean of Wintec, Pouārahi Māori, Group Director/Centre Director and a representative from the International Centre.

The selection panel may refrain from making a recommendation for an Adult Learner Award in any category, if it finds no candidate of sufficient merit. The decision of the selection panel will be final, and no correspondence will be entered into. All nominations will be forwarded to the selection panel on Tuesday 30 July 2024.

6. Students and staff will be notified of the Awards through the usual communication channels. Please ensure that the contact details provided on the nomination forms are clear and current.

7. The \$1,000 award will be paid directly into the successful recipient's nominated bank account. Award recipients must complete and return the appropriate documentation in order for the money to be transferred into the nominated bank account.
