Advanced Horticultural Trades

(Level 4)

Leading to the New Zealand Certificate in Horticulture Services

with strands Amenity, Arboriculture, Landscape Design and Landscape Construction in:

| Wintec code: | SX1703 | MoE: | NZ2674 |
|--------------|----------------------------|-----------|-----------|
| Level: | 4 | Credits: | 60 - 130 |
| Owner: | Centre for Applied Science | Effective | July 2022 |
| | and Primary Industries | Date: | |

These regulations should be read in conjunction with the Institute's Academic Regulations.

1. Transition Arrangements

- 1.1 There is an underpinning principle in the application of these transition regulations, that no existing student will be disadvantaged by these arrangements;
- 1.2 This programme is replacing the following programmes:
 - a) SC1015 National Certificate in Horticulture (Level 4)
 - b) SC1007 Certificate in Arboriculture (L4) incorporating the National Certificate in Horticulture (Arboriculture) (L4)
- 1.3 Students currently enrolled in either of the programmes SC1015 or SC1007 may complete the requirements for these programmes, but they must complete by 31 December 2019; or
- 1.4 In consultation with the Centre Director/Team Manager or designated equivalent, students may transition from either of the programmes SC1015 or SC1007 across to this new replacement programme.

2. Admission and Entry

2.1 General Academic Admission

- a) Candidates wishing to enrol on the Amenity strand of this qualification must have completed the New Zealand Certificate in Horticulture (Level 3) with Amenity strand, or equivalent qualifications or work experience to similar level.
- b) Candidates wishing to enrol on the Arboriculture strand of this qualification must have completed the New Zealand Certificate in Horticulture (Level 3) with Arboriculture strand, or equivalent qualifications or work experience to similar level
- c) Candidates wishing to enrol on the Landscape Construction strand of this qualification must have the New Zealand Certificate in Horticulture (Level 3) with Landscape Construction strand, or equivalent qualifications or work experience to similar level.
- For candidates wishing to enrol on the Landscape Design strand of this qualification it is recommended that they have the New Zealand Certificate in Horticulture (Level 3) with Landscape Construction strand, however, they can gain entry to this strand by meeting one of the following criteria:
 - i) Based on NZ high school achievement (secondary school study):
 - 40 credits at NCEA Level 1 including 10 Literacy credits and 10 Numeracy credits; or
 - a recognised equivalent; **or**
 - ii) Based on study completed at a NZ tertiary institution

Programme Regulations for:

- A relevant qualification at NZQF Level 2; or
- A recognised equivalent qualification; or
- Equivalent knowledge, skills and experience

2.2 Discretionary Entrance

Applicants who do not meet any of the entry options stated above, and think they have what it takes to complete this programme, can apply for 'Discretionary Entrance'. The application is based on the applicant's ability to demonstrate a likelihood to succeed in the programme. The decision is at the discretion of the Head of School/Centre Director or their delegate. The ability to progress into further study depends on how successful the applicant is within the programme they apply and are accepted into under 'Discretionary Entrance'.

2.3 Selection Criteria

- a) Candidates without relevant qualifications may be required to participate in an interview and selection process. The following may be considered in the selection process:
 - 1) The completion of a Study Skills Assessment to demonstrate the level of academic skill necessary to successfully complete the programme.
 - 2) Previous experience working in the horticulture sector. May include previous employment, voluntary work.
 - 3) Personal qualities such as responsibility, teamwork and practical skills.
 - 4) An aptitude for working in a public environment demonstrated through a reference from an employer where a candidate has worked with the public, or from a teacher attesting to social skills.
 - 5) Candidates wishing to enrol on the Arboriculture strand must have completed the following unit standards: 6400, 6401, 6402, 1668, 2768, 2767, 6916, 6917 and 20574.
 - 6) As some of the practical components within this programme are considered high risk, students may be required to submit to an initial drug screen as per Wintec's Drug & Alcohol Policy (OP-16/04).
- b) To meet legal and health requirements, candidates must be physically able to carry out the practical components of the programme, including the ability to perform practical demonstrations and assessments.
- c) Candidates with disabilities are eligible to enroll in this programme and will be provided with the necessary resources to attain the learning outcomes where practicable, but at the time of enrolment must notify the Equity/Disability Co-ordinator of their needs.
- d) Some delivery maybe at locations which require arboriculture students to undertake a police check.

2.4 English Language Requirements

Candidates who have English as a second language are required to have an International English Language Test System (IELTS) score of 5.5 in the academic band, with no individual band score lower than 5.0; or equivalent.

3. Transfer of Credit

100% transfer of credit is available for this programme (both formal transfer of credit and recognition of prior learning).

4. Programme Requirements

4.1 Every candidate for the Advanced Horticultural Trades programme shall to the satisfaction of the Academic Board follow a programme of study for a period of normally not less than one semester.

Programme Regulations for:

- 4.2 Each candidate's programme will comprise all modules as listed in their chosen strand (Amenity, Arboriculture, Landscape Design or Landscape Construction) listed in Section 7 of these regulations, totalling the minimum of credits specified in that strand.
- 4.3 Candidates undertaking the Amenity strand of the Advanced Horticultural Trades programme will complete all modules listed in Table 7.1, Section 7 of these regulations totalling 130 credits.
- 4.4 Candidates undertaking the Arboriculture strand of the Advanced Horticultural Trades
 programme will complete all modules listed in Table 7.2, Section 7 of these regulations totalling
 91 credits.
- 4.5 Candidates undertaking the Landscape Design strand of the Advanced Horticultural Trades programme will complete all modules listed in Table 7.3, Section 7 of these regulations totalling 60 credits.
- 4.6 Candidates undertaking the Landscape Construction strand of the Advanced Horticultural Trades programme will complete all modules listed in Table 7.4, Section 7 of these regulations totalling 70 credits.

5. Completion of the Programme

A candidate may take up to two years to complete this programme, unless an extension is granted by special permission of the Centre Director, or designated equivalent.

6. Award of the Qualification

Candidates who successfully complete the requirements of this programme will be eligible for the award of the New Zealand Certificate in Horticulture Services (Level 4) with a strand in Amenity, Arboriculture, Landscape Design or Landscape Construction.

7. Schedule of Modules

Note: no value in the pre/co-requisite columns means there are no pre/co-requisites for that module.

| Module Code | Module Name | Level | Credits | Pre-Requisites | Co- Requisites | Assessment Standard |
|----------------|--|-------|---------|----------------|-------------------|------------------------|
| HORT428 | Plant Collections | 4 | 10 | | | 21026 v3 |
| HORT429 | Evaluation and Pruning | 4 | 5 | | | 21032 v4 |
| HORT430 | Turf Botany and Management | 4 | 5 | | | 30252 v1 |
| HORT431 | Revegetation | 4 | 10 | | | 21033 v3 |
| HORT432 | Seasonal Management Plan Preparation | 4 | 20 | | | 30255 v1 |
| HORT433 | Implement and Monitor Seasonal Management Plan | 4 | 25 | | | 30253 v1 |
| HORT434 | Work Program Implementation | 4 | 35 | | | 30254 v1 |
| HORT435 | Work Program Monitoring | 4 | 20 | | | 30256 v1 |
