These regulations should be read in conjunction with the Institute's Academic Regulations.

1. Admission and Entry

1.1 Candidates can gain entry to this programme by meeting one of the following criteria:

- a) NCEA Level 2 including 12 credits in mathematics (excluding statistics) and a minimum of 12 literacy credits at NCEA Level 1;
or
- b) A relevant qualification at NZQF Level 4 or above;
or
- c) A recognised equivalent;
or
- d) Based on Discretionary Entrance

Applicants who do not meet any of the entry options stated above, and think they have what it takes to complete this programme, can apply for 'Discretionary Entrance'. The application is based on the applicant's ability to demonstrate a likelihood to succeed in the programme. The decision is at the discretion of the Head of School/Centre Director or their delegate. The ability to progress into further study depends on how successful the applicant is within the programme they apply and are accepted into under 'Discretionary Entrance'.

1.2 English Language Requirements

Candidates who have English as a second language are required to have an International English Language Test System (IELTS) score of 6 in the academic band, with no individual band score lower than 5.5; or equivalent.

2. Transfer of Credit

2.1 100% transfer of credit is available for this programme (both formal transfer of credit and recognition of prior learning).

3. Programme Requirements

3.1 Every candidate for the New Zealand Diploma in Construction (Level 6) shall to the satisfaction of the Academic Board follow a programme of study for a period of normally not less than two years.

3.2 Each candidate's programme will comprise all modules as listed in Section 6 of these regulations, totaling a minimum of 240 credits.

4. Completion of the Programme

4.1 A candidate may take up to six years to complete this programme, unless an extension is granted by special permission of the Group Director, or designated equivalent.

5. Award of the Qualification

5.1 Candidates who successfully complete the requirements of this programme will be eligible for the award of the New Zealand Diploma in Construction (Level 6) with strands in Quantity Surveying.

6. Schedule of Modules

Note: no value in the pre/co-requisite columns means there are no pre/co-requisites for that module.
