

WHAT SHOULD I STUDY AT THE WAIKATO TRADES ACADEMY?

The Waikato Trades Academy (WTA) has created programmes to inspire hands on, practical learners. Have a think about where your passions lie and what you are interested in. Select an option from the 'Things I Like' column and use the coloured pathway as a guide to match what you enjoy with what you could be good at.

THINGS I LIKE

Communicating with new people
Creating new things
Working in a team environment
Keeping up to date with trends

YOUR PATHWAY IS BLUE

Working with young people
Learning about health
Helping those who need it
Improving your community

YOUR PATHWAY IS PURPLE

Building things that move
Finding practical solutions
Using the latest technology
Having variety in your work

YOUR PATHWAY IS RED

Building structures that last
Bringing your designs to life
Working with your hands
Learning skills for life

YOUR PATHWAY IS ORANGE
