

# Building and Construction

Level 3

# Building and Construction (Level 3)

This Level 3 NCEA course has an emphasis on practical content and project-based learning. Theory is directly related to the practical projects at each stage of construction, so your learning has real industry relevance. This course will offer you transferable skills in the exciting trade of building that employers are looking for. Personal protective gear will be provided.

Location: Hamilton Rotokauri Campus, Kopu Campus, Ōtorohanga Campus

Total NZQA Credits		27

## How do I enrol?

If you are interested in studying at Waikato Trades Academy (WTA), please speak to your school's career advisor. They will discuss your options and how studying one-day-a-week at WTA will work around your school subjects. Your advisor is responsible for contacting WTA on your behalf to secure a place.

**If you are interested, please ask your career's advisor to email [wta@wintec.ac.nz](mailto:wta@wintec.ac.nz). Visit [wintec.ac.nz/wta](http://wintec.ac.nz/wta) to find out more.**
